Letter from the Community Lay Director —

I love this time of year! The weather is turning cooler. The leaves are beginning to change colors. We are all finally adjusting to the changes that school and fall sports bring with them. Life is good and God is good. (All the time!)

We all certainly dealt with a major change a couple of weeks ago, in the form of a powerful wind storm. While it brought with it destruction and devastation in some cases, I believe we were also able to see positive results from this abrupt change. For me personally, it meant Bill and I were able to spend more time together. I actually had conversations with neighbors on the street I have not really “seen” in years!!

There is one change in my life at this present time, however, with which I am NOT comfortable. The change I am speaking of is the lack of community presence at Gatherings and Walk events. Where is every-

one? The Walk prepares us to go out and serve our churches and communities, and that is certainly what we are called to do! That being said, WE ALL STILL NEED TO SEE ONE ANOTHER TO GAIN STRENGTH AND REKINDLE THE FIRE!

I am asking everyone in the community to make a genuine effort to be in worship at Gatherings. This will not mean you are not serving your churches or community. On the contrary, you will be serving the new pilgrims and one another as we join in collective worship of the Lord Jesus Christ.

One last word- The Board of Directors realizes the Gatherings are held on nights of worship in many churches. We ARE working to find a solution to this problem! In the meantime, I hope to see you soon and know that this community is forever in my prayers.

Give ‘Em Heaven,  
DeColores, *Patti Schmidt*
